THE ORO SCHOOL FAIR is a Township Tradition that has been enjoyed by parents, students, and teachers for many years. Oro School Fair began as a separate event in 1915 sponsored by the Ministry of Agriculture. The Oro School Fair became a part of the Oro World's Fair in 1948. The School Fair is now funded by the Oro Agricultural Society. Many students of Oro-Medonte take advantage each year of this opportunity to be a part of our rural heritage and to acknowledge the importance of Agriculture in our lives. The relationship between the school and the community is an important one. This tradition serves to strengthen this bond and provides students with curriculum support in many areas of study.

A Special Thank You

To all those people who make the School Fair a success! It is not just one person or a few individuals but all of the following:

1. Those people who put special classes in the book add variety and extra prize money.
2. The teachers who have given new ideas for classes that will tie in with what our children are learning at school.
3. The different individuals and companies who put in the ads, they may get business their way and may not but still help to pay the cost of printing the book.
4. Those of the committee and others who are asked to proof read the book before going to the printers.
5. Then there is Georgian Printers, who prints the book.
6. The Schools for making sure they hand out a book to each family who attends the school.
7. Those who help clean up and set up the building for the fair.
8. The people who come on Thursday night to help the children fill the entry tags and put their entries in the right place.
9. The judges, who are phoned earlier in the year, to judge on the Friday Morning. They find it very challenging year after year with the number and quality of the entries.
10. Helpers and Committee members, who come to help the judges, record the results, open tags, tack on ribbons, and set up for display. Those who usually are exhausted and run off their feet so the doors will open on time to the public.
11. Committee members who look after the Livestock, Poultry and Pets, and the Dog show.
12. Committee and helpers for taking down and cleaning up after, plus those who take items back to the schools.
13. Joe Watts, the person each year who looks after the order for the trophies. Making them different so they don't maybe receive the same looking trophy.

Last but far from forgotten are the **CHILDREN** who place these entries in the fair without them there would be no **ORO SCHOOL FAIR**.

And what a loss that would be!

The Voice

There is a voice inside of you
That whispers all day long,
“I feel that this is right for me,
I know that this is wrong.”
No teacher, preacher, parent, friend
Or wise man can decide
What’s right for you – just listen to
The voice that speaks inside.

This I Know

The light of day

The fading sun

The cold moon light

She will not go,
this I know,
til all the stars have fallen.
